

5 REASONS TO SEND YOUR CHILD TO KUPUGANI

BELOW ARE A FEW REASONS TO MAKE THE IMPORTANT INVESTMENT.

THE FOUNDATION

1

Kupugani helps build a character foundation for life, including skills like conflict resolution and comfort with diversity.

Your child's Kupugani education surpasses that found in textbooks, including leadership development and self awareness.

2

THE EDUCATION

"I learned things they try to teach you in school: respect, unity, diversity, self-respect, communication, decision-making, and easy conflict resolution. Here they actually teach you those things!"

THE PROGRESSION

3

As society continues to evolve, so will your child's mindset. Our parent survey responses consistently note improvement in their child's acknowledgement and appreciation of diversity.

Your child will return with the independence of making their own decisions... and their own bed! Our child and parent surveys regularly express an increase in self confidence, personal growth, and positive self image.

4

THE INDEPENDENCE

THE IMPACT

"Camp Kupugani helped me see that I am beautiful on the inside and out. Because of my time here, I want to teach girls {and boys} that they are strong, independent women {and men} who can change the world."

5

Your child will go on to impact the world around them as a Kupugani World Changer! Look out, world!
